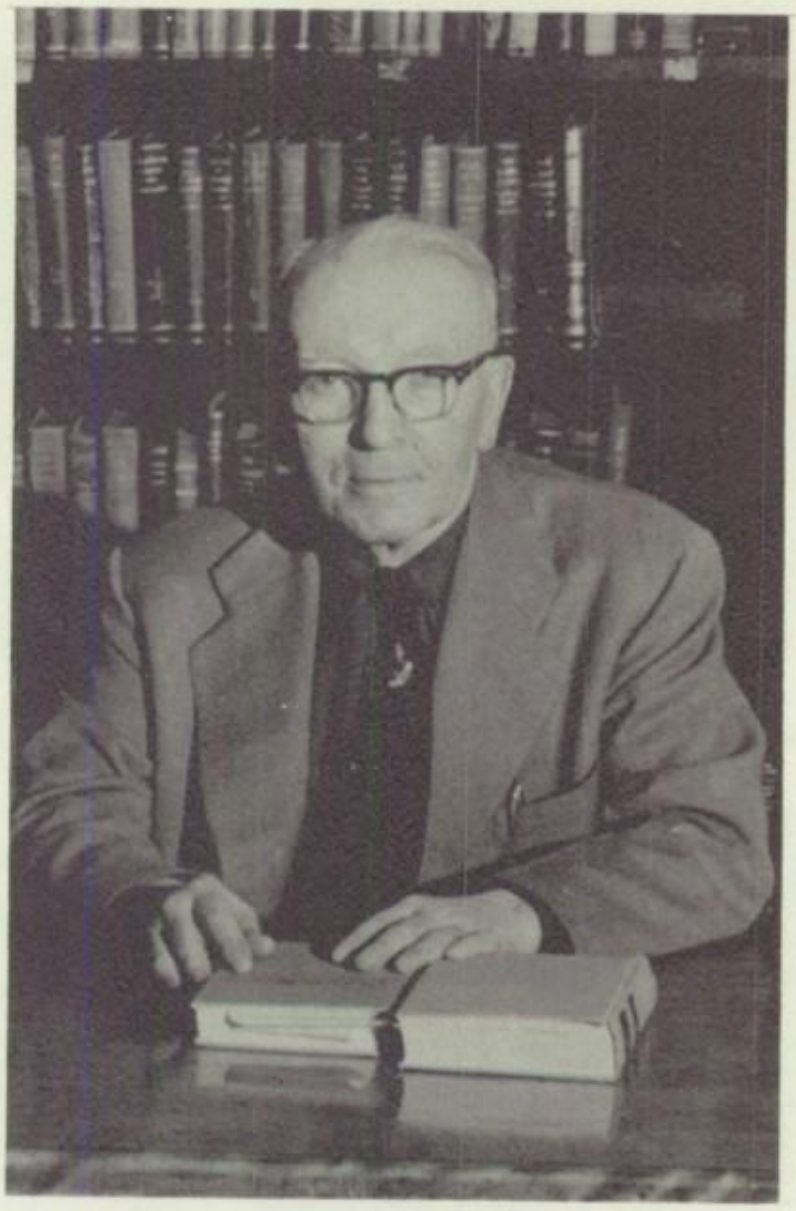
IN MEMORIUM



In deepest regard for Mr. Stanley C. Lochrie, who served on the Ilwaco School District Board from March 8, 1927 until his death, February 18, 1956. During that time the school plant has been entirely rebuilt, with substantial improvements at great cost, and the school grounds greatly improved in every way, notably in the addition of Peterson Field for athletics. For his part in the advancement of the Ilwaco High School, as well as the grade school, we tender our deepest appreciation on his behalf to the dear ones he left behind.

FOREWORD

We live only today. Yesterday is gone. Tomorrow is only a vision, a hope.

Fortunately, perhaps, time makes dim and ultimately obliterates the events of yesteraay. Pleasant and gratifying experiences are forgotten as well as unpleasant things. As the months and years go by, names, faces, and episodes cannot be recalled.

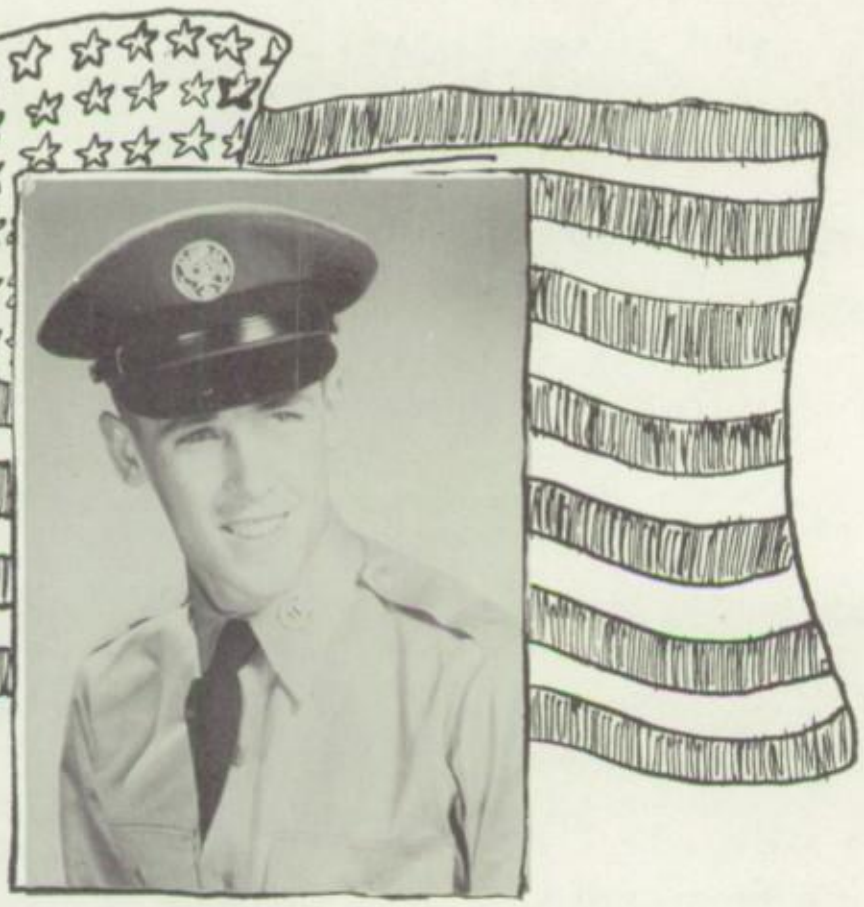
The objective of this yearbook is to enable us to, in a manner, relive four of the most important years of our life. We now must separate. No longer can we continue down the broad highway as a unit. Each of us must select and follow his or her individual pathway or trail, alone. Teamwork is ended. Months and years must pass before we can properly measure and evaluate the influence of our fellow students and instructors on our lives resulting from the four years of close association.

As men and women we now assume new responsibilities. Our pathway may, in places, lead up steep hills and be strewn with boulders. We will need to pause and look back gathering new strength and courage to carry on, keeping in mind that the game is not over until the third out of the ninth inning or the old clock shows no more seconds left.

Let us go forth and face the future courageously, know that this RECORD of events chronicled and depicted here shows that the Class of 1955-56 has honored the Ilwaco High School, its instructors, and administrative officials, and has met the expectations of our parents and friends.

IN MEMORIUM

"MAY THE GOOD LORD BLESS AND KEEP YOU"



In Memorium of a former student of Ilwaco High School

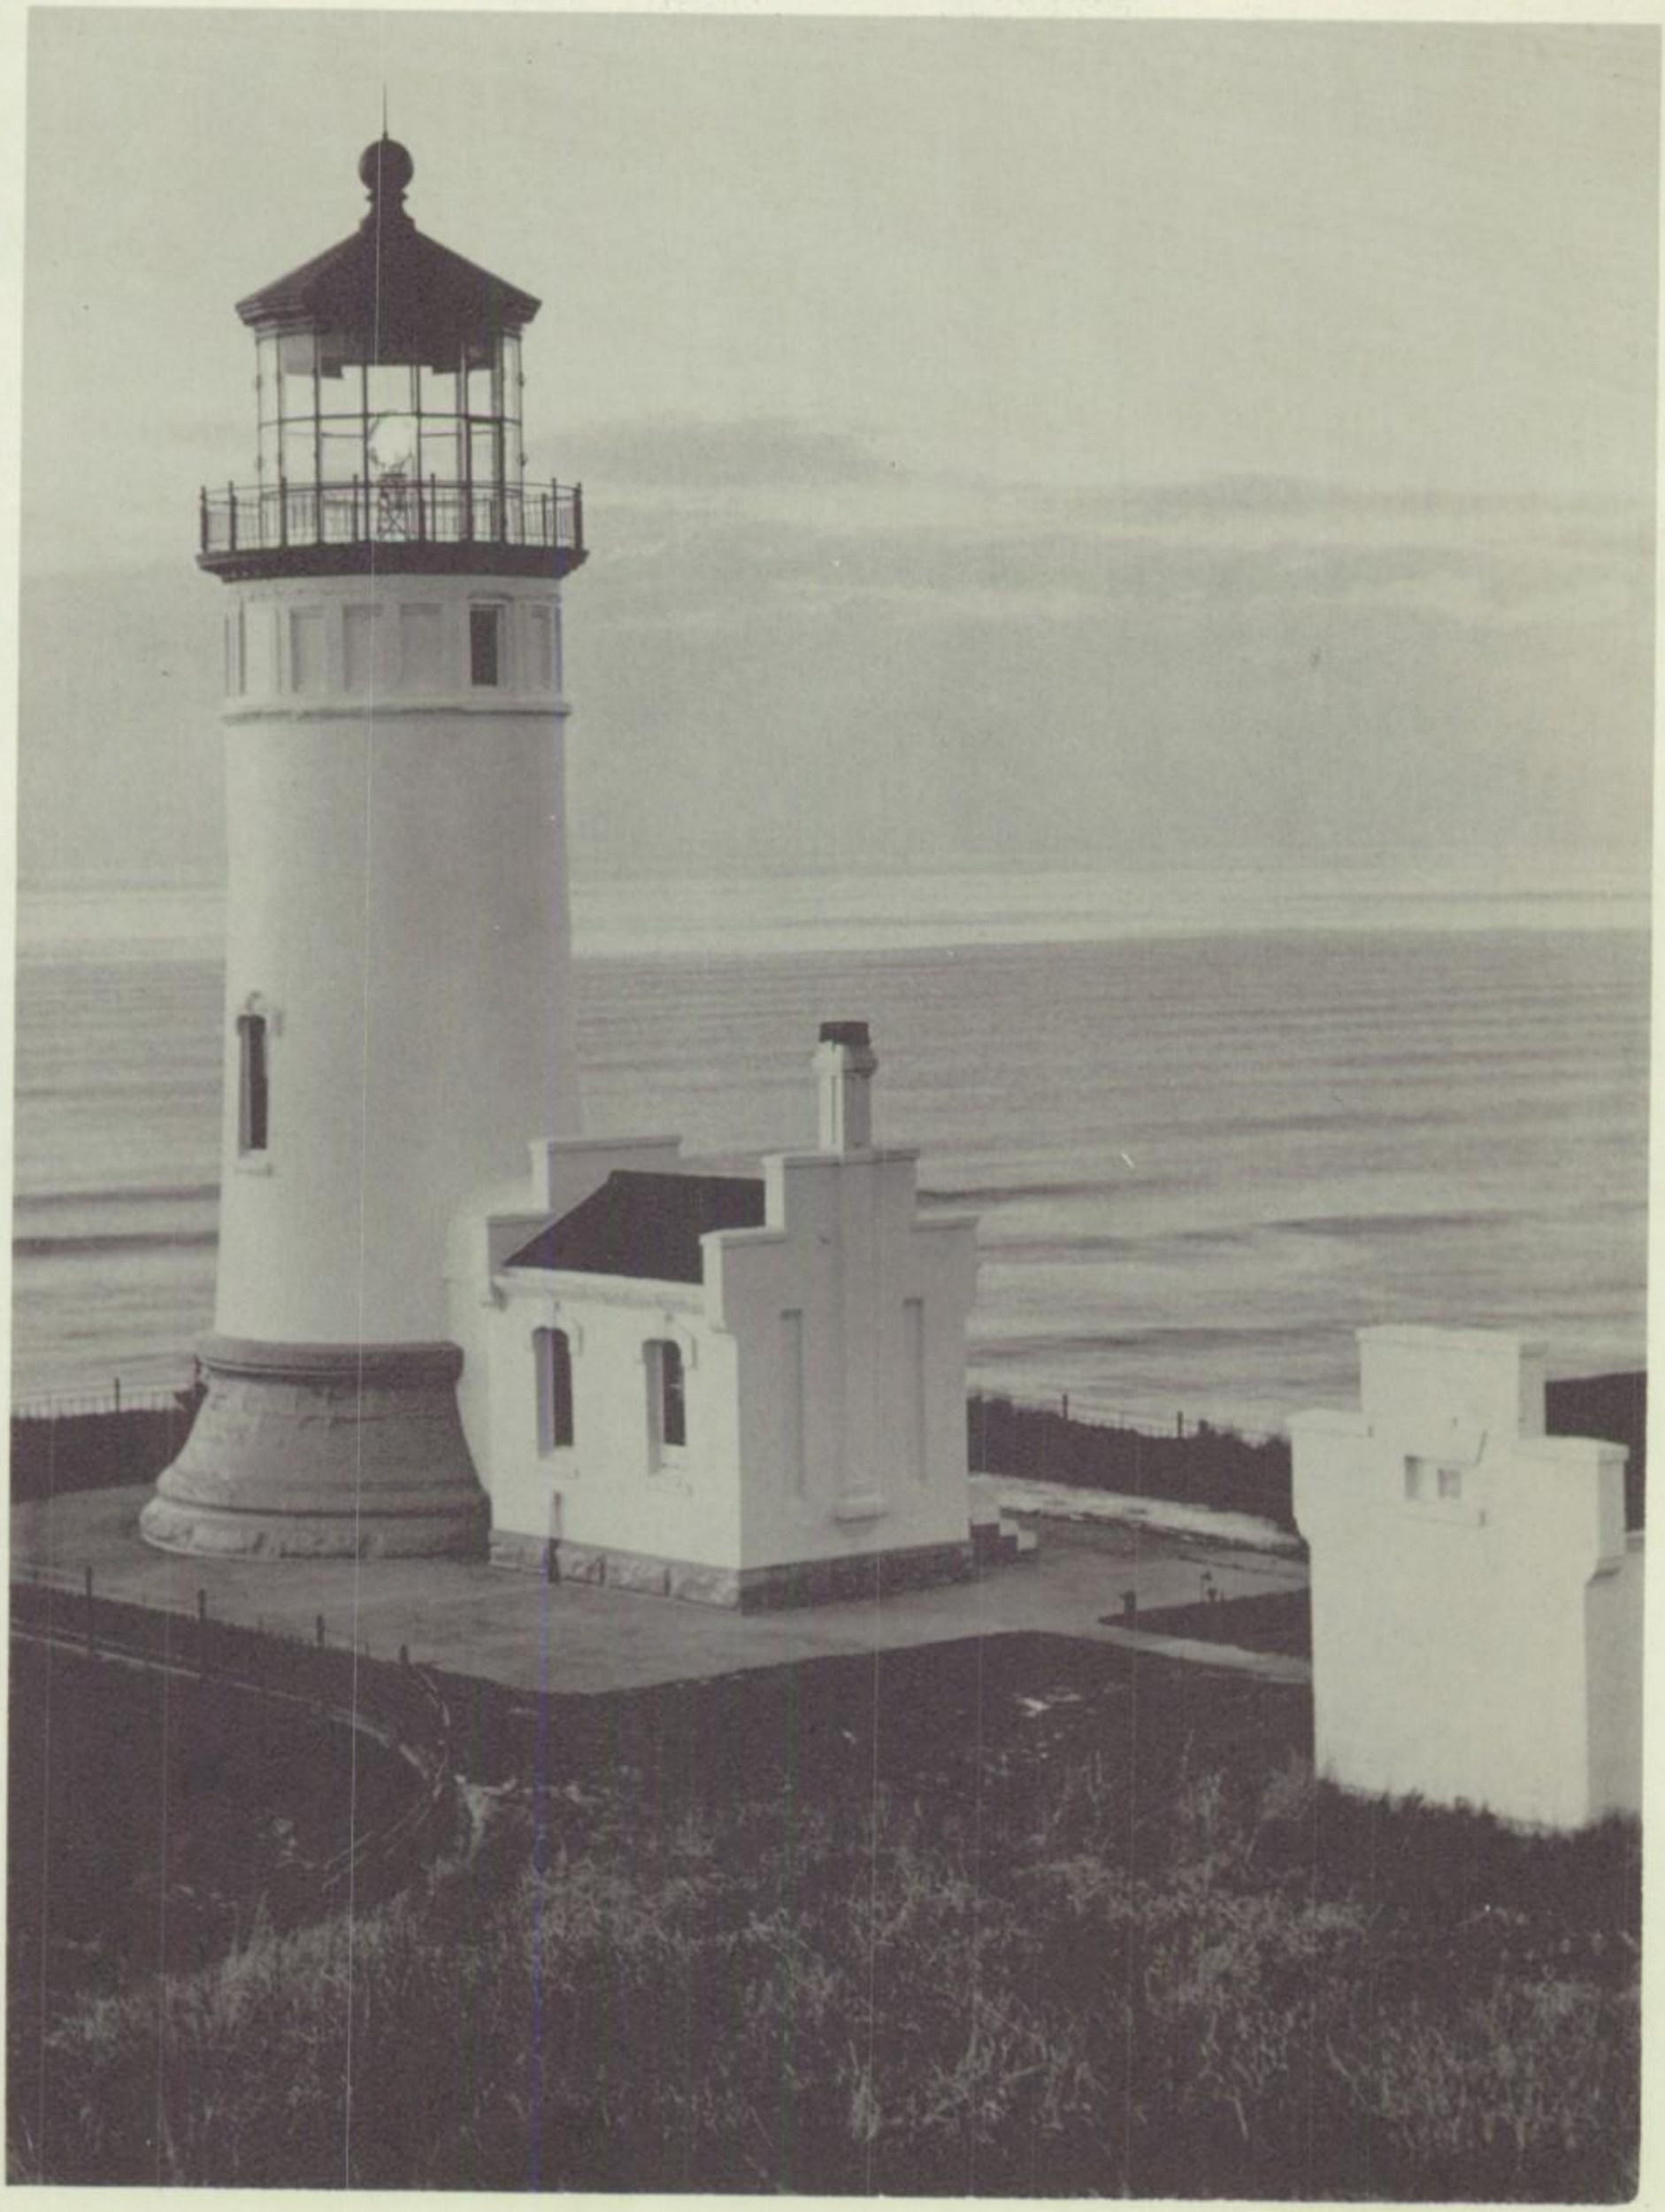
Tommy was killed in Wadena, Minnesota, on September 2, 1955 while serving in the armed forces of his country.

Tommy graduated from Ilwaco in 1954 and was one of the active members in the athletics department.

DEDICATION

We, the students of Ilwaco High School, dedicate this 1956 Breakers to the Football Team. We are very proud the recognition our football team has won as champions for five consecutive years. To the football team we desire to say thanks for your hard work, team spirit, team cooperation, and to coaches Lee and Lord for their untiring efforts.

ADMINISTRATION



SUPERINTENDENT'S MESSAGE

To you graduates, I hope this year, 1956, will not be an end to your education. It need not be formal, that is classroom education. Do not fail to take advantage of all the opportunities around you, and there are many by which you may increase your knowledge. For you know, we Americans have created a complex government. It cannot be run by ignorant people. For you to be able to take your just part in this great government you will constantly need to grow in knowledge.

Best wishes to all of you. Keep on with the grand start you have.

JUNIOR Highlights

Winning the Student Body Ticket race, the Junior Class of 1955-56 began very successfully as upperclassmen.

The evening of December 3, 1955, will always be remembered by the Juniors as the gala Junior Prom, with "Mr. Sandman" as the theme, and Donna Deccio reigning as queen.

March 2, 1956 was the evening of the presentation of "Dollars to Doughnuts", a three-act farce by Glenn Hughes.

Early in the spring, the seniors were honored when they were given by the juniors the long-awaited Junior-Senior Banquet.

Looking back into a very successful and memorable year, the juniors ended a busy, but exciting and prosperous school year.

Highlights

On September 9, 1955, the Sophomore Class had the pleasure of giving a party for the Freshmen as a welcome to the new students. A grand parade started it off, with games, songs, dances, races, and a whole pile containing one shoe from each Frosh. The refreshments consisted of garlic, onions, tabasco sauce, lemons, raw liver and chili peppers. Everyone, but the Frosh, seemed to have had a very enjoyable time.

The loss of the Student Body ticket race cost the Sophomore Class a dance in honor of the victorious Juniors, who came in first. The dance was held September 16, 1955, in the high school auditorium from 7:30 to 10:00 P.M. The Juniors were admitted without charge and were served free refreshments. A good time was had by all.

The Sophomore girls served at the Junior-Senior Banquet as usual, for it follows the tradition of former years of Sophomore Classes.

FRESHMEN

Highlights

The forty-six new extras, better known to you as Freshmen, started their high school career on September 6, 1955. A week later the Freshmen were fully initiated by the Sophomores.

During the fall, officers were elected as follows: President Vince Weber; Vice President, Allen Hansen; and Secretary Liz, Sundstrom.

Many Freshmen turned out for athletics, band, and other activities, and throughout the year have worked hard on these activities.

Because they have worked hard and had fun, they hope they've been a credit to Ilwaco High School.

TORCH HONOR

Torch Honor is the one organization whose object is the recognition of outstanding academic work. The standards for membership are higher than for the Honor Roll. The basis for membership is the earning a definite number of points, five for an A; three for a B; one for a C; D or F automatically disqualifies anyone for consideration. Any subject which is not academic does not give grade points. After the freshman year the student must also participate in at least one activity each semester. A bar is added to the pin for each year it is earned. A student who is in Torch Honor all his four years has a torch placed on his diploma at graduation.

In addition to keeping their own grades high, Torch Honor members assist other students, endeavor to help new students feel a part of Ilwaco High School, and keep a scrapbook of social activities.

The high point of the year for the students who have achieved Torch Honor membership is the presentation of pins at a special assembly. They are entertained by the P.T.A. at a semiformal dessert or recognized by that organization in some other way.

KNOCK ON WOOD

The annual Senior Play entitled "Knock on Wood" was presented December 9, to a huge crowd. Miss Eleanor Lutes directed the play which was a big success.

Calvin Pynn, famous elderly detective, played by Jim Orander was quick to win the love of the audience. Peter Crossett, the struggling young assistant was well protrayed by Jim Beals who solved the most perplexing problem of the plot with the clever aid of his fiancee Eleanor Brown, played by Loma Leback. Mrs. Jasper, portrayed by Carol Johnson, captured her listeners attention by funny intrusions throughout the play. Ned Andrews hilariously portrayed by Cullen Baker was another standout in the play. Mar Carson played by Phyllis Foster with a dashing personality was quick to catch the eyes of the audience. Patty Osborne, the witty youngster and Dale's date was acted expertly by Patty Lincoln. Vivian March, the hysterical young woman, played by Ann Johnson, created intense climax for the audience. R. March, Vivian's supposedly crazed brother played by Clark Johnson with the help of Mr. Kinsey, Larry Ward and Vivian hilariously keep the plot moving swiftly. Taxidriver Willy Bales was of vital importance.

In March the glee club was host to members of other schools from Southwest Washington for the Music Contest. The following month we journeyed to Raymond for the Southwest Washington Music Festival.

The glee club concluded its year by singing for graduation.

Loma Leback and Lesley Cox were the glee club accompanists for the year.

THE BAND

The band began its year by presenting half-time entertainment at the home football games. At the beginning of basket ball season a Pep Band was formed and played at all home basketball games.

In March the band was host to members from other schools for the Southwest Washington Music Contest. The band traveled to Raymond in April to attend the Southwest Washington Music Festival.

The year was concluded by playing the processional and recessional marches at Commencement Exercises.

"DOLLARS TO DOUGHNUTS"

On March 23, 1956, the Junior Class presented a three act comedy entitled "Dollars to Doughnuts," written by Glenn Hughes, and directed by Eleanor Lutes,

The entire action takes place in the living room of Mr. and Mrs. Bolands' house near New York City, in the course of a Saturday morning in the summer. The play was a huge success and the cast had a lot of fun presenting it.

LIBRARIANS

The library became more complete and useful this year when it received the Abridged Readers' Guide service and a filing cabinet for pamphlet material. These additions have helped the students in their research work. This increased the work of the eight student librarians. Each had a specified job to do each day. They checked books in and out and kept the pages repaired, kept the shelves in order, and took care of the magazines. Members of the art classes helped with some of the posters promoting reading.

HAPPY FAMILY LIVING

Since the objective of the entire Homemaking program is happier family living, the girls work towards increased skills in sewing and food preparation. One of the lessons all girls enjoy is the family dinner in which all take part. To make it a more realistic situation, we borrow a child to complete our "family".

1955 FISHERMEN WIN FIFTH STRAIGHT CHAMPIONSHIP

The Ilwaco Fishermen brought their record to 41 wins out of the last 43 games as they successfully ended an undefeated 1955 campaign on November 10, with a 19-6 win over Valley.

For the season opener, the Fishermen traveled to Warrenton where they rolled over the Warriors 46-0. Nothing spectacular happened in the game as Ilwaco easily scored in every period. Scoring touchdowns for Ilwaco were: Jim Orander 3, Phil Stamp 1, George Leage 1, Monty Baker 1, John Bell 1. Point after touchdowns were scored by: Dave Gradt 1, Dave Weber 1, and Jim Orander 2.

The first home game of the season saw the Fishermen run wild over Astoria's JV's. The final score was a lopsided 72-0. Scoring touchdowns were: Phil Stamp 2, George Leage 1, Monty Baker 1, Jim Orander 3, Dale O'Connor 2, Cullen Baker 1, and Dave Weber 1. The extra points were scored by: Leage 2, Weber 1, and Orander 1. A safety was scored as an Astoria player recovered Gradt's fumble in the end zone.

For the third win the Fishermen traveled as far as the Straits of Juan de Fuca. The grid battle was with Neah Bay who ended last year's season tied with Ilwaco for fifth in the AP State Football Poll. When the final gun went off the score was 40-0 bringing Ilwaco's total points scored in the first three games to 158 as to the opponents' 0. Dale O'Connor was leading scorer in the game as he racked up two touchdowns and one extra point for the total of 13 points. He was followed by Phil Stamp who made 12 points on two touchdowns. Jim Orander and Cullen Baker each made a touchdown and the scoring was rounded out by two points after touchdowns by Orander and one by Leage.

The second home game was a real thriller which saw Ilwaco come from behind in the final minutes to beat the South Bend Indians 7-6 for the first county league game. Nevers intercepted a pass early in the fourth quarter and ran 28 yards to score the first touchdown of the season against the Fishermen. The extra point attempt was fumbled. Later in the period Leage sailed a perfect 20 yard pass to end Phil Stamp with Stamp literally overpowering the Indian's defense as he stiff-armed off two would-be tacklers and carried a third over the goal with him running 31 yards after catching the ball. Orander dived over on a wedge play for the game winning point.

A week later the high flying Fishermen romped over the luckless Naselle Comets for their second league win. Stamp, Leage, Orander, C. Baker, B. Biggs, Herman and Murakami all scored touchdowns while Leage scored two points after touchdowns and M. Baker. one.

Ilwaco faced its only A Team of the year when they came up against Evergreen on the Plainsmens' home field. On the fourth play of the game after receiving Evergreen's kickoff, George Leage passed to Cullen Baker who covered the remaining two yards to pay dirt unmolested. Leage skipped the end for the extra point. Shortly, thereafter George Fisher ran 47 yards, then passed to George Pebbles for an 11 yard touchdown play. The play was pretty even from then until the fourth quarter when the Fishermen finally caught fire and began playing good ball. A 73 yard sustained drive brought the game winning touchdown for Ilwaco. After three long-gain passes from Leage to Gradt and a 24 yard run by Weber, Crander cracked over from one yard out for the score. Leage passed to Orander for the extra point. The final score was 14-7.

For the seventh win of the season, Ilwaco's championship bound Fishermen stopped Forks High on Peterson Field in a mud splattered game that ended with a score of 18-0. Orander scored twice on short plunges and Leage returned a punt for 57 yards and the final touchdown.

The championship game which brought Ilwaco's most stauch football rivals, the Valley Vikings, to Peterson Field on the 10th of November saw eight seniors finish their high school careers for Ilwaco. These were Co-captains Phil Stamp, End; Jim Orander, Fullback; Cullen Baker, Halfback; Dale O'Connor, Halfback; George Leage, Quarterback; Willy Bales, Tackle; Bill Frazier, Guard; and Edu Elm, Center were the other seniors to play their last high school game that night.

The game was quite one-sided as the Fishermen were not to be denied on their last game. The first score came in the first quarter when Orander completed an Ilwaco 54 yard drive with a four-yard run over left tackle. A Leage to Stamp pass made the score 7-0. That was the score at the half also. Early in the third quarter Dave Weber scored from eight yards out to complete a 59 yard drive. The conversion attempt failed and this left the score 13-0. Later in the same period Leage passed to Stamp for a 19 yard touchdown. Again the conversion failed, the score was 19-0.

After a bad punt in the fourth quarter, Valley gained control of the ball deep in Ilwaco territory. The first Viking drive was stopped on the one-yard line and Ilwaco took over. Ilwaco then fumbled on the 11 and after three plays Clements of the Vikings banged over for Valley's only score. The conversion was stopped.

After the game the jubiliant Fishermen proceeded to "rip" the goal posts down and throw coaches Don Lee and A. Lord and the manager in the showers.

LETTERMEN'S CLUB

This year's Lettermen's Club has been very active in school activities. Lettermen Officers are: Edu Elm, President; Willy Bales, Vice-President; and Cullen Baker, Secretary. The club has sponsored two after game dances and two award assemblies. The dances were juke-box style with refreshments furnished by lettermen. The profits were put in the club fund. The two award assemblies were for football. In one assembly, gold footballs were awarded and in the other, football letters and senior jerseys..

Under discussion and investigation of the Lettermen's Club is the possibility of a monogram for the back of Lettermen's sweaters. Other schools have them and we would like them, too, if we find one suitable. Another attraction of this year's club was the football demonstrations given at pep assemblies. This was given to enable the student body to understand just what went on in a football game.

COUNTY CHAMPIONSHIP TROPHY

Co-captains, Jim Orander, and Phillip Stamp, led the Fighting Fishermen onward to their fifth straight county championship of the football season 1955-56. The football boys completed an undefeated season this year, and the harder they worked, the more they enjoyed it. Coach Lee should be commended for his very fine work and tireless efforts to win the championship for his team.

During the miserable and fair weather that accompanied this year's football games and the ever popular games in the Ilwaco High School Gym, the loyal yell squad was always present to encourage the fighting Fishermen on to victory.

Beverly, our chairman, has been cheering our team on for the past four years and doing an excellent job of keeping the spirits of the Fishermen alive.

The Yell Leaders were in charge of the Pep Assemblies that were held preceding each game, they organized the night rallies that were so important to the spirit of the team.

FISHERMEN ENTER DISTRICT TOURNAMENT

Ending up second in Pacific County League play the 1955-56 Ilwaco Fishermen won a berth in the Southwest Washington B. School Tournament.

On Saturday, February 25, the Fishermen met the Wishram Indians in a game that was nip and tuck to the wire. Regulation time ended with the score knotted at 59-59. The three minute overtime saw the Fishermen regain the lead and keep it until the final score of 65-62. George Leage led the Fishermen with 34 points, but Delaney broke the Tournament record with 36 points.

The following Wednesday saw Ilwaco matched with Ridgefield, the tournament favorites. After a well played game, the Ilwaco basketball boys left the floor on the long end of a 49-41 count. Jon Kaino and Jim Orander shared high point honors with 14 points apiece.

It was the third game with the Toledo Indians that brought an end of the Fishermen winning streak. Toledo, who ended second in the Southwest Washington Tournament, barely scalped the Fishermen by a score of 52-50. Jon Kaino was high point man for the Ilwaco team with 15 points.

The Kalama Chinooks were Ilwaco's next foes and topped the Fishermen by a score of 60-50 in the final few minutes of play after Ilwaco had led most all the way. Leage was high-point man with 20 points.

This defeat eliminated Ilwaco from the tournament and left the Fishermen in a tie for fifth place in Southwest Washington. Good luck Fishermen you will win the tournament next year.

The 1955-56 Ilwaco High School J.V. Basketball Team was coached this year by Al Lord. The JV'S completed their 12 game season with a record of 8 wins and 4 losses. The outstanding Fishermen for the J.V. was Dave Gradt, making his Varsity letter in the Southwest Washington B Tournament at Chehalis. Coach Lord came to Ilwaco from Randle High School where he was coach. We are very proud of our team and coach for they had fought a good fight all season.
